Subject: Request for allotment of Assembly Hall of University Polytechnic, AMU.

Respected Sir

There is pre-placement talk/interaction by Tata Steel personnel in relation to recruitment process for the students of our Polytechnic and also for ZH College of Engineering & Technology i.e. for B.Tech & B.E. (evening course) at 12:30 p.m. on 29/8/2018. Tata Steel personnel are coming first time in AMU Polytechnic. Firstly we wanted to arrange this programme in smart class room but the strength of registering students are increasing day by day and it will be difficult to us to accommodate in one room. Therefore you are requested please allot the assembly hall which is under your kind control atleast for two hours for this interaction between Tata Steel personnel and AMU students. You are also requested to **wave off** the allotment charges since we have no fund/no any head of account of TPO and the program will be held in the interest/benefit of students and also for AMU.

With Regards.

Mohsin
