

**GeeksLAB**  
Technologies

a workshop on

# Automobile Mechanics and IC Engine Designing

for everything you need to know about the heart of your automobile

## Workshop Highlights

- Insight to the vehicle Dynamics & Suspension Geometry
- Complete Dismantling and Assembling of IC Engine
- Engine Designing & 3D modelling behind Engines
- Deep dive in Automobile Engineering Aspects
- Transmission and working of various Engines
- Braking unit & Steering Mechanism

venue:

University Polytechnic  
Aligarh Muslim University

**Authorised Certification**

in association with AIESEC-IIT Delhi

Dates: 16 & 17 November

Fees: Rs 1000 per participant

Geekslab Coordinator: 8588865575

### Faculty Coordinator

Mr Mohd.Mohsin Khan (TPO)- 9897406786

### Student Coordinator

Abhishek-7678469720

Mohd Basit Ali-9045711552

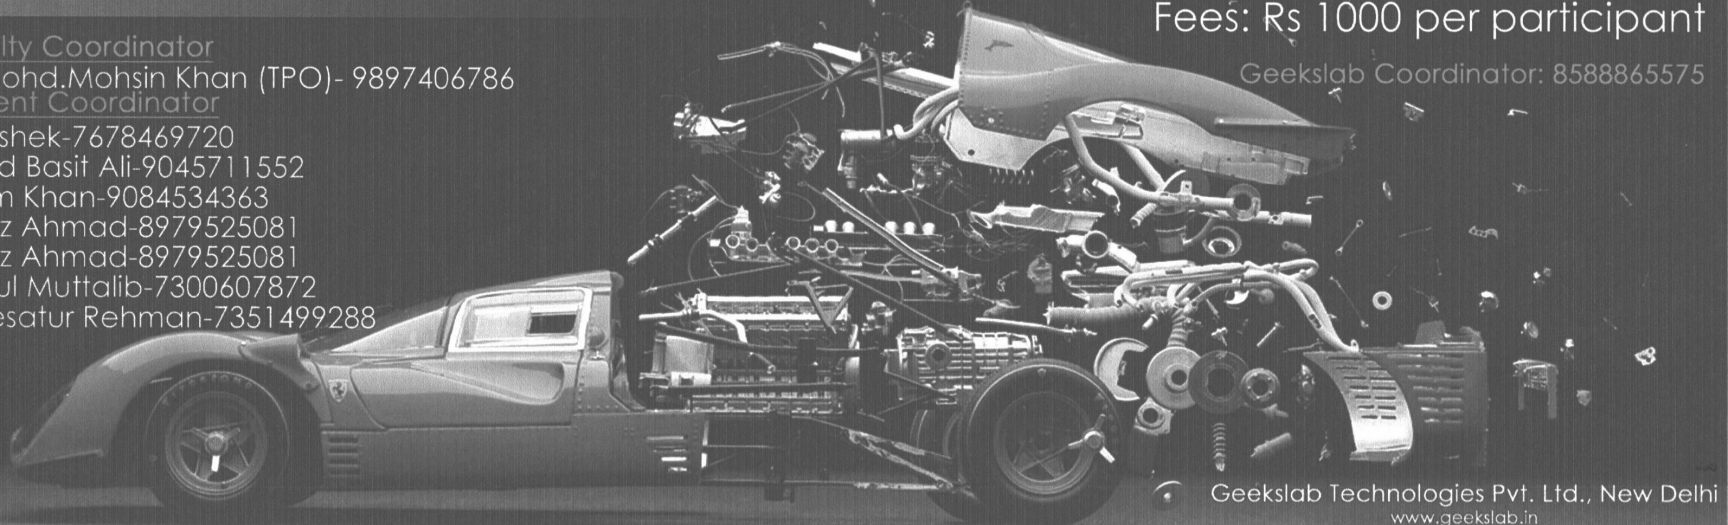

Azam Khan-9084534363
