A brief about the Company:

We represent **VE Commercial Vehicles, India**, a 50:50 joint venture between the Volvo Group and Eicher Group. It is a partnership that brings together Global leadership in technology, quality, safety and environmental care, along with the deep knowledge and understanding of the Indian Commercial Vehicle market. VE Commercial Vehicles Ltd. (VECV) owes its inception to the compelling intent of driving modernization in commercial transportation, in India and other developing markets.

We are Rs. 80 Billion worth group comprising of four business verticals – Eicher Trucks and Buses, Volvo Trucks India, Eicher Engineering Components and VE Powertrain. Each of our business units is already well established and backed by a sizable customer base. In commercial vehicle industry, VECV is among top 2 market leaders in light and medium duty vehicle market (31.1% Market share in LMD trucks and 23.9% in Bus) outpacing the commercial vehicle market growth.

We believe that our human capital is the differentiator for us in the challenging business environment and their efforts and invaluable contribution has fed our passion to achieve new standards of performance and effectiveness. Our constant endeavor is to develop VECV as the best place to work. Campus recruiting programs are an essential component of our overall staffing strategy.
