University Polytechnic

About Speaker

Prof. Shabana Mehfuz has been working in the Department of Electrical Engineering, Jamia Millia Islamia for the past 21 years where she presently holds the position of full professor. She has published more than 70 papers in International Journals and Conferences. She has guided seven PhDs and is currently supervising another six candidates. She is a senior member of IEEE, Life Member ISTE, Member of Institution of Engineers, and Life Member of Computer Society of India. She has received grants for research projects from agencies like AICTE and UGC. She has acted as track chair for two flagship International IEEE conferences held in 2015 and 2019. She has been awarded International Inspirational Women Award 2020 for Best Performer in Government Award by GISR Foundation. Her research interest includes Computer Networks, Cloud Computing, Network Security and Computational Intelligence.

Technical Assistance by: Mr. Danish Shakeel, EES, Univ. Poly.
