We all are blessed to have earned our degrees from JNMC, AMU and had the opportunity and privilege to learn from some of the best teachers. We all developed a wider intellectual perspective and very importantly, gained lifetime friends. The gravitational force of JNMCites bonds keeps us together ever after so many years. Without a doubt, what we are today, are because of JNMC. We will forever be indebted to JNMC for helping build the foundations of our character and basically chalked path of our lives. On this occasion, let's take a pledge to give our unrestricted, unconditional and unwavering support and love in whatever way we can to make JNMC number 1 medical college in India.

LONG LIVE JNMC
