RIYADH, KINGDOM OF SAUDI ARABIA  
CABINET (2018-2020)**

The COVID19 pandemic and the unprecedented number of new infections daily with many cases in critical stages have stretched our health system's limitations. With the high number of acute patients, there has been a shortfall of ventilators in many hospitals across the country. So The AMUAA elected members decided to do their bit by providing the required amount to purchase a ventilator for JNMC, A.M.U.

It is to be noted the AMUAA Riyadh is the biggest association of Aligarians outside India and has always been at the forefront of matters related to the University and has a history of strong ties with its Alma Mater.

Engr. Syed Mohammad Mutayyab is the president of the current AMUAA, Riyadh with Engr. Humayun Hashmi as its vice president and Dr. Mohammad Abul Farah and Dr. Afzal Hussain as general secretary and joint secretary respectively. Besides, the cabinet consists of two treasurers Arch Safeer and Eng Shariq and Eight executive members Dr Faisal, Dr Anzar, Mr Saad , Mr Ashraf , Mr Khallaq , and Mr Malak including two female executive members.
