APPEAL TO ALUMNI / ALUMNI ASSOCIATIONS

In the year 2020, we will commemorate the centenary of our prestigious institution. It is indeed a momentous milestone that we are all looking forward to. Throughout the history of AMU the alumni have played a very unique and important role in the advancement and success of our Alma Mater. I would like to celebrate this special bond of ours by proposing to construct a Centennial AMU Alumni Guest House in 2020. As an alumni and Vice Chancellor of AMU I appeal to all AMU Alumni Associations in India and globally as well as individuals to wholeheartedly support this project. I request each alumni association to contribute funds for the construction of a minimum of one guest room. The estimated cost of one guest room is Rs. 10 lakhs (\$15,000). The goal is 50 rooms. We will also welcome contributions from individuals too. The Centennial AMU Alumni Guest House will feature:

1. Modern amenities for the guests and welcoming design to meet the traditions of AMU.
2. Each guest room will be named after the contributing alumni association or individual.
3. The guest room will display photograph and names of contributors.
4. The guest rooms will also include artifact of the city, state or country where the alumni association is located.
5. The contributors will receive discounted rates and highest priority when reserving the guest room.

Your contribution for this project will help us in addressing growing accommodation needs of the university visitors - many of them are alumni. We can host more technical conferences and other university events of a larger scale. Finally, I assure you that I will try my best to secure additional non-alumni funds for the project to expand it to more than 50 rooms.

Look forward to your generous support for the project.
